ORS configuration / upgrades

☐ Mitac fix has been applied (if Mitac PC was used)

ORS Software Testing (cf: rapidspace-ORS.HowTo.Test.ORS.Before.Sending.To.Client)

☐ Hardware and eNB / gNB Service Check
☐ ORS LED is blinking when ORS is emitting (skip for ORS Brute)
☐ SIM Cards Check
☐ lteview cable test with Simbox for uplink and downlink on all antennas

ORS Configuration (cf: rapidspace-ORS.HowTo.Configure.An.ORS.For.A.Panel.Client)

☐ For ORS in UE Mode: UE playbook and service have been installed
☐ For root access only: root access has been configured
☐ For root access only: ORS has NW200 or NW600 licenses
☐ Check parameters of eNB / gNB and Core Network service

ORS Packaging

For ORS DUO / Classic:

☐ Handle is screwed to the enclosure
☐ Put Power warning label on 5M RJ45 POE cable
☐ Put waterproof RJ45 connector at the end of the POE cable
☐ Make sure waterproof RJ45 connector is screwed tightly (you should not be able to see the screw threads)
☐ Put 2 N-to-SMA adaptors and 2 antennas in the package (for ORS DUO: 4 N-to-SMA, 2 N-to-N, 4 antennas)
☐ Put 1 5M RJ45 POE cable in the package
☐ Put 1 Power Injector in the package
☐ Put 5 Sim Cards and Sim pin in a Sim Card Box in the package
☐ Put 2 mounting handles for Mounting kit **OR** leave the mounting handles screwed to the ORS
☐ Put 4 screws for Mounting kit **OR** leave the mounting handles screwed to the ORS
☐ Make sure POE Warning paper is inside the package

For ORS Brute:

☐ Put ORS Brute Mounting kit and waterproof Power connector inside package

General case:

☐ Make sure sale packing list is inside the package
☐ Double check all lines of sale packing list: there might be additional products to send alongside ORS such as antennas or cables
☐ If the ORS is to be sent outside of Europe, print the invoices for customs and put in the package before closing it
☐ Put Sale Packing List reference as the shipment reference on the shipping service you are using (exemple: DHL)

ERP5 Processes

☐ ORS Production order or manufacturing execution
☐ ORS Accessory package Production Order
☐ ORS and ORS Accessory Package Sale Order to Rapid.Space
☐ Manufacturing Execution to add license
